

# Neponset Valley Stormwater Collaborative

## Steering Committee Meeting

### AGENDA

July 30, 2014, 2 pm to 4 pm  
Norwood Civic Center Willett Room,  
165 Nahatan Street, Norwood

- 2:00 Brief Status Report/Results to Date for Each Project Task
- 1) Coordination
  - 2) Education and Public Participation
  - 3) IDDE Analysis and SWMP
  - 4) Bylaw Evaluation
  - 5) Parking and Roadway Retrofit Evaluation
  - 6) Good Housekeeping Tools
  - 7) Regional O&M Permit Conditions Database
  - 8) Stormwater Financing Pilots
- 2:15 Breakout Group Discussions on Key Questions:
- **Stormwater Permitting:** How do various boards whose permits impact stormwater management (e.g., Conservation, Planning, ZBA) coordinate their activities to reach consistent results in each town? What would be an “optimal” approach to coordination?
  - **Outreach/Education:** What outreach methods would be most effective in your community for reaching residential, commercial, industrial and developer audiences?
  - **IDDE:** Which aspects of the IDDE process are likely to be most challenging for communities in the region, and how could communities collaborate on these aspects?
- 2:45 Breakout Groups Report
- 3:00 Good Housekeeping Requirements
- In-depth review: Utilizing the Central MA Coalition Stormwater Pollution Prevention Plan Template
  - Brief overview of other good housekeeping tools available from Central MA Coalition
  - Feedback re: what tools Neponset Collaborative would like further training on
- 4:00 Next Meeting / Adjourn
